

# THROUGH YOUR GENEROSITY, YOU CAN MAKE JOSHUA A MORE POWERFUL ORGANIZATION IN GREEN BAY WI.

## WHY JOSHUA?

JOSHUA is a coalition of faith communities in Brown County dedicated to building and deepening relationships within and among faith communities. It empowers and equips people to work together on issues of justice and community building. JOSHUA builds relationships in the public and private sector in order to advance issues, which represent our common faith values. We seek to identify and take action on root causes of poverty, oppression and injustice. JOSHUA does not endorse candidates. We have members from all political parties, and we believe in the need to hold public officials accountable, no matter what party they represent..

Double the impact of your contribution by checking with your employer to learn if they match charitable contributions made by employees.
