

YOUR GENEROSITY CAN ENSURE THAT THE WORK OF JUSTICE CONTINUES FAR INTO THE FUTURE.

LEGACY GIVING

A way to ensure that the good work of WISDOM continues for years to come is to remember one of our organizations in your will. Your gift, large or small, will help guarantee that we can always have great community organizers, that all our leaders, no matter their economic circumstances, will be able to access world-class leadership training, and that the fight for justice never sleeps.

Those who are receiving an inheritance might also want to consider tithing – giving 10%. One result of generations of racial and social inequity is the great disparity in accumulated wealth. Donating a portion of your inheritance to justice organizations can be a way of being part of the effort to repair that inequality.

BUILDING ON A LEGACY OF JUSTICE

WISDOM organizations have been working in Wisconsin for more than 30 years. In that time, we have won badly-needed resources for alternatives to incarceration, for public transportation, for housing for the homeless, and more. We have fought for structural changes that can reverse the harm done by generations of racial and economic oppression and inequity. The work is not nearly over yet.

Our organizations do not just seek a few improvements; we seek to change the nature of our communities, state and nation. We build relationships that cross boundaries, and we work to be sure that the people most impacted are at the center of the work for change.

YOUR GIFT CAN HELP ENSURE THAT WE STAY STRONG, INDEPENDENT, AND FOCUSED ON BUILDING A BELOVED COMMUNITY OF JUSTICE AND INCLUSION.

We have never set our agenda according to the whims of Foundations or Funders. We are an independent voice, guided by our faith values, and by the experience of the people most affected by the issues.

WHY GIVE A LEGACY GIFT?

"I contribute now because I believe so strongly in the work we do to stand for justice. By naming the organization in my will, I can ensure in my small way that the fight against injustice will continue after I am gone." - C.R.

"We will be receiving a modest inheritance. It seems only right that we share some of it with an organization that fights for everyone to have the same opportunities we have had." - J.A.
