

March 26th, 2019

WISDOM's Madison Action Day

A day of collective action with leaders across Wisconsin in our state capitol.

Join leaders from all parts of Wisconsin who are meeting at the Masonic Temple in Madison for a day of action and movement building. Madison Action Day is an event that happens every two years leading up to the budget session so we can get our issues on the minds of legislators while they are making their budget decisions. It is a culmination of what WISDOM and its affiliates are all about!
